JULY 2026

PHOENIX NEWSLETTER

WHEN SPORT SPEAKS, SOUTH AFRICA LISTENS

There is something uniquely powerful about sport. It transcends age, culture, language and background, bringing people together in a way that few other things can. For a few hours, we celebrate together, we hope together, and we proudly stand behind the same badge, the same jersey and the same flag.

South Africa is enjoying a remarkable period across many sporting codes. The Springboks continue to unite the nation every time they take the field, while Bafana Bafana's journey to the knockout stages of the FIFA World Cup once again ignited football fever across the country. Our Proteas Women have demonstrated exceptional determination by reaching the semi-finals of the ICC Women's T20 World Cup, and the Junior Springboks have reminded us of the exciting future of South African rugby with an outstanding start to their World Rugby U20 Championship campaign.

On the fairways, South African golfers continue to compete among the world's elite, while Wimbledon once again captures the imagination of sports lovers around the globe, reminding us that excellence in sport inspires us all, regardless of nationality.

It was this very spirit that inspired the creation of Hospitality Village.

The vision was never simply to create another venue to watch live sport. Rather, it was to create a space where Members, families, friends, staff and sponsors could come together to share memorable experiences. A place where conversations begin naturally, friendships are strengthened, business relationships develop, and generations connect through a shared passion.

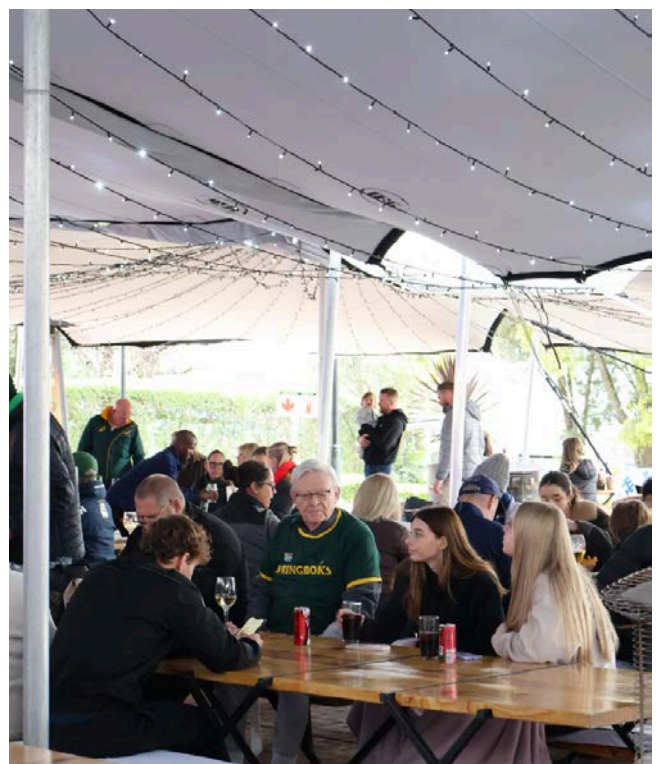

Country Clubs have always been about community. Sport simply provides one of the most powerful opportunities to bring that community together. Whether we are watching a Major Championship, a Springbok Test, Wimbledon, International Cricket, Football or celebrating the achievements of our own junior sportsmen and women, these moments create memories that last long after the final whistle.

As we continue investing in our facilities and the overall Member experience, our focus remains firmly on creating opportunities for meaningful connection. Seeing Members, staff and sponsors sharing these occasions in a welcoming and secure environment has reinforced that this vision is achieving exactly what it set out to do.

At its heart, the Hospitality Village is not about a screen or a sporting fixture. It is about strengthening the sense of belonging that makes The Bryanston Country Club more than a club. It is a community—one that celebrates together, supports together and, above all, comes together.

As we move through another exciting month at The Bryanston Country Club, I would like to take a moment to acknowledge a few highlights that make me exceptionally proud of our Club and the people behind it.

Firstly, congratulations to our entire TEAM on our outstanding performance in the 2026 Golf Digest Club Facilities Rankings. This recognition belongs to every department and every staff member who contributes to delivering an exceptional Member and visitor experience each day.

Our results speak for themselves:

- 5th – Best Club Facilities Overall
- 4th – Best Pro Shop
- 6th – Best 19th Hole
- 8th – Best Practice Facilities
- 10th – Best Locker Rooms
- 11th – Best Halfway House
- 17th – Best Service

These accolades are a testament to the commitment, passion and professionalism of our TEAM. While we are incredibly proud of what has been achieved, we know there is still more to accomplish. With the exciting developments currently underway across the Club, we firmly believe this is only the beginning.

As a Club, we also recognise our responsibility to make a meaningful difference within our community. Our Blanket Drive continues throughout July, and we encourage Members to donate any new or gently used blankets for babies, children, adults and even animals. All donations will be distributed on Mandela Day 18 July 2026, helping to bring warmth and comfort to those who need it most. Blankets can be dropped off at Reception, and every contribution, no matter the size, will make a difference.

Community support extends beyond donations. Many of you will have noticed our delightful handcrafted Springbok supporter mascots around the Club. These are lovingly created by Esther, a talented local artisan whom we are proud to support as part of our community responsibility initiatives.

Esther will be showcasing her beautiful creations at our Christmas in July Market on Saturday, 25 July 2026, and I encourage you to stop by and show your support. We have also purchased a collection of her Springbok mascots, and throughout the Springbok Test season we will be giving away four mascots after every Rugby screening in the Hospitality Village. You may just be one of the lucky winners.

On a personal note, I am particularly looking forward to joining our Members at this month's Wine & Dine. Chef Louis always enjoys creating something memorable, and I am excited to experience his latest menu paired with the exceptional wines from Stellegaya. These evenings have become a wonderful opportunity to enjoy outstanding food, excellent wines and great company, and I look forward to sharing the experience with many of our Members.

STELLEKAYA
LELLO FAMILY - PRIVATE CELLAR

Thank you, as always, for your continued support of The Bryanston Country Club. I encourage you to stay up to date with everything happening around your Club by following our various communication channels, as there is plenty to look forward to in the weeks ahead.

Wishing you all a wonderful July. Stay warm, stay well, and I look forward to seeing you around the Club.

Andrew Rogers,
General Manager

FROM THE FRINGE

**Fanie Bester -
Course Superintendent**

Greens Reconstruction Project Update

Our Greens Renovation Project continues to make excellent progress, with the first group of staff gradually returning to their normal duties. The second group will begin returning from 6 July, allowing us to continue balancing the renovation programme with additional course improvement projects.

Alongside the greens renovation, the team has been focusing on a number of enhancement initiatives across the course:

Tee Levelling Completed:

- 5th Tee, 6th Ladies Tee, 9th Tee, 15th Tee, 16th Tee

Tee Levelling Projects:

- 3rd White Tee, 9th White Tee

Fairway Bunker Improvements:
Drainage installation has been completed on the fairway bunkers at the 5th, 6th and 7th holes. Work will now move to the 1st and 2nd holes, further improving playability during wet conditions.

Tree Pruning Programme:

A number of trees have been identified for selective pruning, particularly around the greens. This work will improve sunlight penetration and air circulation, promoting healthier turf and better growing conditions.

Driving Range Improvements:

Levelling work on the driving range will continue. As the greens are stripped during the renovation process, the top 100mm layer of sand is being repurposed for use around the Greenkeeper's facilities, ensuring materials are utilised efficiently wherever possible.

We appreciate your continued patience and support as these exciting improvements take shape.

It's time for another swing at the latest club news, and this month we've got plenty of excitement lined up both on and off the course.

As our Greens Renovation Project continues, playing rounds may be reduced, but our caddies remain an important part of The BCC.

To help support them during this period, the Club has introduced a monthly stipend programme for qualifying caddies. In return, they will assist Golf Operations with course preparation, maintenance support and other operational duties where additional assistance is required.

We also encourage every fourball to take at least one caddy when you play. Your support makes a meaningful difference to their livelihoods, helps preserve one of golf's great traditions, and enhances your round with local course knowledge, assistance with pace of play and, of course, a helping hand with those divots.

Thank you for continuing to support our caddies as they support our Club.

The greens are shaping up beautifully, and seeding is just around the corner. It's an exciting time for the course, but I've noticed a lot of unfilled divots out there lately. Please, please, please – let's all do our part to keep the fairways and tees in good condition. Fill your divots, or better yet, take a caddy who will gladly assist (and maybe even remind you with a smile). It's a small effort that makes a big difference for everyone's playing experience.

Once 12 greens are closed, a new course rating will be introduced. All details will be shared on our WhatsApp platforms, so stay tuned.

If you haven't already, please join our WhatsApp community groups to stay up to date with all the latest news, events, and updates.

Play More. Get Rewarded.

The Bryanston Country Club is delighted to partner with **Gowrie Farm Golf & Fly Fishing Estate** to reward our members for enjoying more golf at their home club.

Promotion Period: 1 July – 31 December 2026

Any member who plays 6 rounds of midweek golf at **The Bryanston Country Club** in a single calendar month during the promotion period will receive:

A 2-night mid-week stay for two people sharing at The Crofts at Gowrie Farm, including:

- **2 nights' accommodation**
- **2 rounds of golf**

Please note: The prize excludes golf carts, halfway house, food and beverages, and any additional lodge extras.

The voucher is valid until 30 November 2027.

Terms & Conditions

- The 6 qualifying rounds must all be played midweek at The Bryanston Country Club within the same calendar month.
- Members may only qualify for the prize once during the promotion period.
- Standard booking terms and availability at Gowrie Farm will apply.

It's another great reason to get out on the course and enjoy your home club while earning an unforgettable golfing getaway.

SUPPORT OUR CADDIES

— THEY ARE PART OF OUR GAME —

To help support them during this period, the Club has introduced a **monthly stipend programme** for qualifying caddies.

In return, they will **assist Golf Operations** with course preparation, maintenance support and other operational duties where additional assistance is required.

We also encourage every fourball to take at least one caddy when you play.

Your support makes a meaningful difference to their livelihoods, helps preserve one of golf's great traditions, and enhances your round with:

Thank you for supporting our Caddies they are a wealth of course knowledge, they assist with pace of play and are a great helping hand during the game we all love.

The Crofts

— AT GOWRIE FARM —

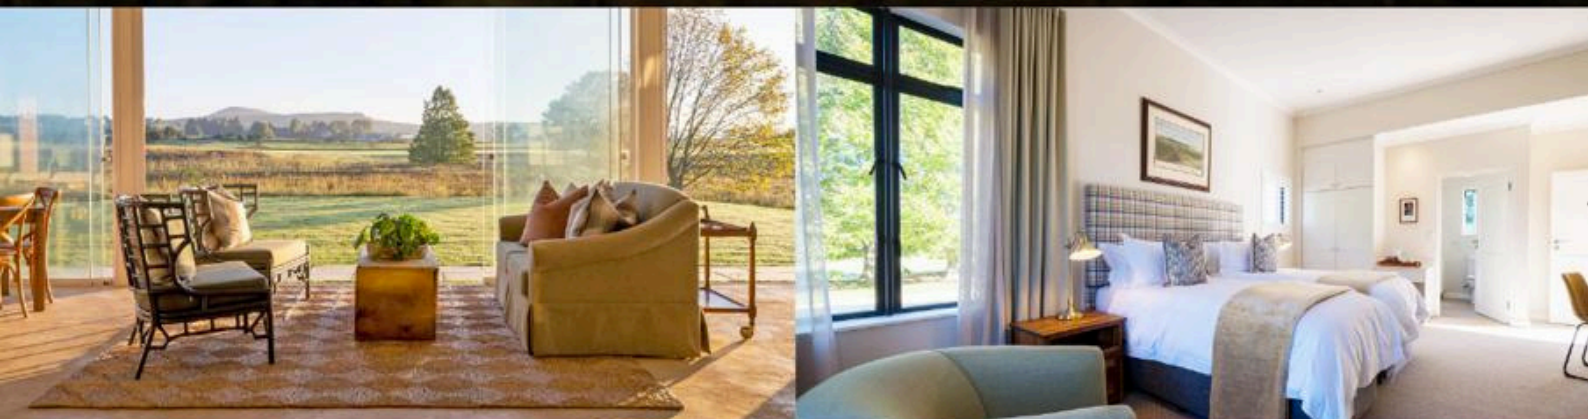

PLAY. QUALIFY. WIN!

WIN A 2-NIGHT MIDWEEK STAY FOR 2 PEOPLE AT THE CROFTS, INCLUDING 2 ROUNDS OF GOLF AT GOWRIE FARM.

JUNIOR SECTION

BCC is proud to have 212 junior golfing members, making our junior section one of the most vibrant and active communities within the club.

A huge congratulations to **Behan Els** on making his first-ever hole-in-one on the 15th hole at Parkview. What an incredible achievement and a moment to remember!

Congratulations to **Connor Rose** for winning our June Junior Order of Merit with an excellent nett score of 69.

A special congratulations to **Gemma Huxham** on her outstanding achievements:

- Winner of the CGGU/BSI Junior Silver Vase 2025 with an impressive gross score of 79.
- Selected for the Under-13 CGGU Squad for the Courier Guy Challenge 2025.

Well done, Gemma! We are incredibly proud of your accomplishments and wish you continued success.

Please make sure to join our Junior WhatsApp group and Golf Announcement group.

Junior Clinics at the Driving Range

The driving range offers fantastic opportunities for our juniors to develop and improve their skills:

- Beat 36 Programme
- Free Junior Clinics every Thursday and every second Saturday with Coach Llewellyn Van Leeuwen.
- Free Junior Clinics every Wednesday and every second Saturday with Coach Lantè Duma.

We encourage all our juniors to take full advantage of these wonderful coaching opportunities and continue enjoying and developing their game.

Thank you to all our juniors and parents for your ongoing support and enthusiasm. Keep working hard, enjoy your golf, and continue making BCC proud!

**Paul Landman -
Men's Captain**

Winter has certainly arrived, bringing with it crisp mornings and cooler temperatures. Fortunately, we are privileged to enjoy the Highveld's beautiful winters, where the late mornings and afternoons still provide perfect conditions to get out on the course and enjoy this wonderful game.

Greens Renovation Project

Our greens renovation project continues to make excellent progress and remains on schedule. We now have 11 greens under construction, and it is exciting to witness the transformation taking place across the course. There is a genuine sense of anticipation as members walk between holes, discussing the improvements and looking forward to the finished product.

The temporary greens have also continued to improve, and we thank all members for their patience and understanding during this period. As we've mentioned previously, these surfaces were always intended as a temporary solution and were never expected to replicate the quality of our permanent greens. Your positive attitude and support throughout the project have been greatly appreciated.

A reminder to all golfers that as construction commences on the next hole, the course will once again be re-rated to ensure handicaps remain fair and reflective of the current playing conditions.

Phoenix Tournament

Entries for the Phoenix Tournament are now open, and I would strongly encourage all members to enter what has become one of the most enjoyable and anticipated weekends on our golfing calendar.

While this year's tournament will present a unique challenge with the temporary greens in play, the spirit and camaraderie that make the Phoenix such a special event will undoubtedly remain unchanged.

We encourage everyone to support the tournament and, in particular, to join us on the Sunday afternoon for the traditional Driving-In Ceremony as we welcome our incoming Captain. It promises to be another memorable occasion for our Golf Section.

Supporting Our Caddies

As many of you will appreciate, the ongoing construction project has resulted in fewer rounds being played, which has inevitably impacted our caddies. They are valued members of our golfing community, and this period has been particularly challenging for them.

Wherever possible, I encourage members to support our caddies by taking one as a spotter in your fourball. Your support makes a meaningful difference and is greatly appreciated by those who work so hard to enhance our golfing experience.

A huge thank you to our Golf Operations team for setting up the warm-up station for our golfers on these icy winter mornings. Your thoughtfulness and attention to the little details make a big difference to our members' experience.

Thank You

Finally, thank you for your continued support of The Bryanston Country Club, our Golf Section, and the facilities during this exciting period of renewal. The improvements currently underway represent an investment in the future of our club, and I have no doubt that the finished product will be something we can all be proud of.

As always, I encourage members who have not yet joined our golf communication groups to do so. These platforms remain the most effective way to stay informed about the Greens Project, competition updates, course information, and other important golf-related news. Should you require assistance joining any of these groups, please contact Gareth or any member of the Golf Office team, who will be happy to assist.

I look forward to catching up with many of you around the club over the coming weeks.

LADIES SECTION

**Megan Buttle -
Women's Captain**

Despite the chilly winter mornings, our ladies have continued to enjoy some fantastic golf.

A big thank you to Coach Julie for another successful Beat36 programme. Over the past three months, more than 44 ladies have taken part in the Sundown Sessions, improving their golf while building friendships and future fourballs. The series concluded with the Beat36 challenge, where four of the six participants beat 36. We look forward to welcoming everyone back for Sip & Swing on 31 July.

Best of luck to all our Ladies League teams for their July fixtures. With our Greens Renovation Project underway and more than three temporary greens in play, all league matches will be played away from home. While we miss hosting on our course, we know the finished product will be well worth the wait.

Our Ladies Open takes place on Wednesday, 22 July 2026, alongside the ever-popular Captain vs Vice Captain Trophy. We look forward to another fantastic day of golf and seeing which team takes home the trophy.

It's also great to see so many ladies supporting our Par 3 Competitions. The next event is on 17 July—be sure to book your spot!

Greetings from the tennis section. June has been a quieter month for the tennis players after club champs and league.

Final standings for the mixed league were announced with our first team coming top of their section again. The second and third league teams did BCC proud and much fun was had by all.

We had an organised social for Youth day encouraging the youngsters to come down and play. It was wonderful to see our regular players integrating with the youngsters and having fun with them. We were actually in awe at the standard of the juniors that participated. The youth is where the future of Bryanston tennis lies, so watch this space for some more news.

July promises to be an exciting month with Wimbeldon finals for the weekend of 11th and 12th July, look forward to encouraging all those budding tennis players to come down and play some tennis.

THE CHAMPIONSHIPS WIMBLEDON

Dress in all White or as your Favourite Tennis Player ~ Prizes for Best Dressed

We are already into our third week of league, and despite the chilly winter evenings, the courts have been buzzing with players and supporters alike. The prego rolls have been a big hit, keeping everyone warm and well-fed while enjoying some fantastic padel.

This week's featured matchups saw Cage Fighters take on Am-Busters in the Competitive League, while Vamos Amigos faced Thorns & Roses in the Intermediate League. With every team now having had a chance to get on court, it's safe to say we're in for an exciting and highly competitive season. A special shout-out goes to Cage Fighters, who took home the unofficial award for Best Dressed Team of the Night!

To all our spectators and padel enthusiasts, we'd love to see you down at league evenings supporting the players and joining us for a prego roll. As mentioned previously, there will always be a member of the Padel Committee on hand to welcome new members, answer any questions, or simply introduce you to fellow players. If you're lucky, you might even catch the whole committee together!

Club Championships

It's already that time of year, and preparations for the 2026 Padel Club Championships are well underway!

This year's event will have a slightly different format. Instead of one open division, we will be hosting separate Men's and Ladies' Club Championships, both taking place over the same two weekends.

Tournament Dates:

Qualifying: 25–26 July

Knockout Rounds: 1–2 August

A poll has been posted in the Padel Announcements WhatsApp group to gauge interest. Please add your name by 30 June if you'd like to participate.

If you already have a partner in mind, fantastic! If not, don't let that stop you—you're welcome to enter as an individual, and we'll do our best to pair you with another player. If you have any questions about the Club Championships, please don't hesitate to contact Roxy Lowe.

We can't wait to see another fantastic turnout and some great competition on court!

If you're uncertain about how to participate, there's no need to worry—we've got you covered! Take a look at our YouTube snippet featuring Coach Amber for guidance.

Bryanston Junior Selected for U13 Squash IPT

Congratulations to **Kairon Igrec**, one of The Bryanston Country Club's junior squash players, who was selected to represent Joburg Junior Squash at the 2026 U13 Inter Provincial Tournament.

The tournament was held in Gqeberha from 27 June to 1 July 2026, with teams from around the country competing over several days of junior provincial squash. Being selected for the provincial team is a proud achievement and a reflection of the time, effort and commitment Kairon has put into his squash.

The event gave him the opportunity to compete against some of the best U13 squash players in the country, experience the intensity of provincial team competition, and build lasting friendships with his fellow teammates and other participants.

Bryanston Country Club is proud of his achievement and wishes him every success as he continues to develop his squash and represent the club and province in the years ahead.

WALKING TRAIL

**Once a month walk second weekend of the month
Saturday 09:30 or Sunday 8:00**

Poll will be put up for attendance.

BCC KIDS CLUB

Calling all BCC Kids Club members... we've got an exciting few months ahead, packed with awesome events, activities and plenty of fun!

Movie Night – Friday, 17 July | 18h00

Join us in the Bryanston Room as we screen the exciting new movie GOAT. Sit back, relax with your popcorn and enjoy a fantastic movie night with your BCC friends.

And don't worry... we've got your parents sorted too! While you're enjoying the movie, they'll be having their very own Date Night in the Hospitality Village. Everyone wins!

Kids Day – Friday, 14 August

Get ready for a day created especially for our BCC Kids! We've got something really exciting in the works, and yes... we'll be keeping your parents entertained while you're busy having fun. Keep an eye on our social media channels as we'll be launching all the exciting details very soon.

Christmas in July Market

Our Christmas in July Market is for the whole family, and our younger members are especially welcome. There'll be plenty of fun activities, delicious treats and lots of fantastic stalls to explore while the grown-ups enjoy a little shopping too.

Have You Visited the Gaming Room Yet?

If you haven't checked out the BCC Kids Club Gaming Room yet, what are you waiting for? It's the perfect place to challenge your friends, have some fun and enjoy one of the coolest spaces at the Club. As a Kids Club member, it's all part of your membership!

THE SIXTH MONTH OF 2026: HALF-WAY THROUGH THE YEAR

While we feel a bit of a chill here in Jo'burg many travellers who went north for the summer holidays are melting in the heat. What would you rather?

This month brings a mix of updates: a new regulation introduced on 1 July that will affect all travellers, plus a brief explanation of why the aircraft seat you selected may not be the one you get. But before we get to the serious stuff, let's warm things up with some wonderful Christmas market offers in Europe.

Europe over the Festive Season...

There's something truly magical about travelling to Europe during the festive season, especially for those who love the charm and tradition of Christmas markets. From twinkling lights and beautifully decorated stalls to the aroma of mulled wine and festive treats, these markets create an unforgettable holiday atmosphere.

The experience becomes even more special when combined with a River Cruise. Imagine waking up each day in a new destination, exploring some of Europe's most enchanting Christmas markets, and returning to the comfort and elegance of your floating hotel. It's a wonderful way to experience the festive spirit, while enjoying the convenience, comfort, and scenic beauty that river cruising offers.

For many travellers, a European Christmas market River Cruise is the perfect way to celebrate the season and create memories that will last a lifetime.

Book Now

Important Changes from 1 July 2026

SATMS Now Mandatory for International Travel

From 1 July 2026, the South African Traveller Management System (SATMS) is now mandatory at all international airports, land borders, seaports and rail crossings. All travellers entering or leaving South Africa must complete an online declaration for goods and currency before travelling.

Key changes include:

- Mandatory pre-travel online declarations for all international travellers.
- The cash declaration threshold has increased from R25,000 to R100,000.
- Travellers carrying more than R100,000 in cash or negotiable instruments must obtain prior approval from the South African Reserve Bank (SARB) and comply with the relevant regulations.

Seat Selection: Preference vs Guarantee

Many travellers assume that selecting a seat during booking guarantees that seat for the flight. Unfortunately, this is not always the case. Airlines reserve the right to change seat assignments at any stage due to operational requirements, aircraft changes, family seating arrangements, safety considerations or premium seat allocations.

If an aisle seat, window seat or extra legroom is important to you, the best way to secure it is to pay for seat selection. Even then, airlines may need to make changes, although passengers who have paid are generally entitled to a refund of the seat selection fee if the purchased seat cannot be honoured.

Being aware of these changes before you travel can help ensure a smoother journey and avoid unexpected surprises at the airport.

Trust Your Future Self

Most of the things you are worrying about today belong to a future version of you.

You will always experience uncertainty when you ask today's version of yourself whether you'll be able to cope with a situation that hasn't happened yet.

What if the person who will face that challenge is still being shaped by everything that will happen between now and then? Every conversation, every success, every disappointment and every setback will leave you a little wiser, a little stronger and a little more capable than you are today.

You have no idea yet just how capable you will be of rising to meet the moments still ahead, even the ones you never imagined, or the ones you hoped you'd never have to.

Perhaps confidence isn't having it all worked out today. Perhaps confidence is trusting that, when the time comes, you will become the person who knows what to do.

What if the person who will face that challenge is far more capable than the person worrying about it today?

Blanket Drive – Let’s Keep the Warmth Alive

Our Blanket Drive is still going strong, and we would greatly appreciate your support as we continue to collect blankets for those in need this winter. We are accepting donations for babies, children, adults, and even our furry companions. Kindly drop off your contributions at Reception before **Mandela Day on 18 July**, when our TEAM will begin distributing them throughout the community. Every blanket you donate will help provide comfort and warmth to someone this winter. A heartfelt thank you to everyone who has already contributed. Let’s finish this drive on a high note!

Joker Draw – The Jackpot Keeps Rising!

The elusive Joker continues to hide, causing the jackpot to grow each week! If you haven't participated yet, Thursday evenings are the perfect chance to enjoy great company while trying your luck. Be sure to follow our social media channels for the latest jackpot updates and draw results. Will you be the lucky member to uncover the Joker?

A Calendar Full of Exciting Experiences

There’s plenty happening at the Club in the coming weeks, and we encourage you to get involved.

- **Sip and Paint** is happening this month! Gather your friends for a delightful evening of light meals, a full wine tasting, and painting a Manor!
- **Wine & Dine** returns this month, promising another exceptional evening. Seats are limited, so we recommend booking early to avoid disappointment.
- On **25 July**, join us for our **Christmas in July Market**. Bring your family and friends to enjoy a wonderful day filled with festive cheer, unique local vendors, delicious food, shopping, and a fantastic community atmosphere.
- We are thrilled to introduce our brand-new **Women's Day Wine Ramble** on **9 August**. Enjoy a scenic walk along the golf course trail, stopping at various wine stations featuring carefully selected wine farms and delicious food pairings, before concluding in the Hospitality Village. **Bookings are now open, and spaces are limited, so secure your spot early.**
- Lastly, make sure to save the date for **Sunday, 6 September, as the BCC Charity Sunset Concert returns**. While we can’t reveal everything just yet, we promise it will be bigger and better than ever. Full details will be announced soon.

Hospitality Village

The Hospitality Village continues to flourish and has quickly become the place to be. With live sports, family entertainment, great food, drinks, and special events, there’s always something happening. Be sure to check out the latest Hospitality Village lineup below and join us for another thrilling month at The Bryanston Country Club.
