THE BEST IS STILL TO COME

“A great club is built not only on what we create, but on the people, moments and memories we create together.”

As the golf course draws closer to completion, activity behind the scenes has shifted into overdrive. Preparations for our official opening in January are well underway, and there is a great sense of excitement building around what lies ahead for BCC.

As part of the build-up to the reopening, we will be releasing new video content every Monday, featuring Dino de Abreu and taking Members behind the scenes of the project, the thinking behind the changes and the journey of our new greens. These videos will be available on YouTube and added to the website. If you missed our first Journey of the Greens Project video, please follow the link and catch up – there is plenty more to come.

January may be firmly on our radar, but there is still so much happening at the Club before we get there.

Beerfest, Halloween and the October Club Draw get the final stretch of the year off to a fantastic start. You will see the Club transform with some Halloween fun before we move into one of my favourite times of the year and the festive spirit of Christmas.

[CLICK HERE](#)

Speaking of Christmas, our Christmas Market and Santa Visit takes place on 22 November, so make sure that date is firmly in the calendar. Christmas Lunch bookings are also now open. There is a great deal happening across the Club over the next few months, and we will continue to keep Members as informed and up to date as possible.

It was also fantastic to participate in the recent BCC Ultimate Sports Challenge as part of our staff team. It gave us a wonderful opportunity to interact with our Sports Members in a completely different environment – from Juniors and Seniors to some of our professionals.

There was plenty of friendly competition along the way, and I am already looking forward to the next one.

Our recent Wine & Dine was another highlight, attracting more than 60 bookings and making it our biggest Wine & Dine in several years. It is incredibly encouraging to see Members embracing our social calendar and supporting these events in such great numbers.

We would also like to welcome the newest members joining the BCC TEAM during what is certainly a very busy and exciting season. We wish you every success in your new roles and warmly welcome you to the BCC TEAM and community.

GREENS PROJECT UPDATE: THE HOME STRETCH

As the greens project nears completion, we have some important updates regarding our progress, our hardworking team, and our timeline leading up to our mid-December opening.

Thank You to Our Casual Staff

First and foremost, we want to extend a massive thank you to the 10 casual staff members who have assisted us throughout the Greens Project. Their hard work has been invaluable. They will be leaving us at the end of September, and we wish them the absolute best in their next endeavours. The Road to Reopening (Mid-December).

While the main greens project is wrapping up, there is still a significant amount of work to be done before we can officially open our doors in mid-December. Over the next couple of months, our team will be focusing on the following key areas:

- **Top Dressing:** We are repurposing all the old silica removed from the greens to top-dress the fairways, old drainage lines, and tees.
- **Sodding & Tie-ins:** We will be sodding and tying in all the remaining thin areas and patches surrounding the greens.
- **Bunker Preparation:** New bunker sand is scheduled for installation.
- **Facilities Completion:** Final touches are being put on the staging area and the practice facilities.

- **Pathways & Infrastructure:** The halfway house pathway is undergoing upgrades, and we are currently mapping out new directional pathways for the golf carts.
- **Tree Pruning:** Strategic tree pruning will continue to improve sunlight penetration and eliminate shady, thin grass areas.

New Fleet Enhancements

To help us maintain the course to the absolute highest standards, we are thrilled to announce the arrival of some top-tier course equipment. We have just taken delivery of a new 3250 greens mower and a new 5610 Fairway machine. These additions will ensure our playing surfaces look and play beautifully from day one.

Thank you for your ongoing patience and support as we enter this final, exciting phase!

MEN'S GOLF

PAUL LANDMAN - MEN'S CAPTAIN

CAPTAIN'S FAREWELL

Dear Fellow Members,

As my year as Men's Golf Captain draws to a close, I have been reflecting on what has been a memorable, rewarding, occasionally challenging, and often entertaining year. Looking back, there is certainly no shortage of highlights, and I feel privileged to have shared them with all of you.

One of the achievements I am particularly proud of is that we managed to get all of our major competitions completed and, perhaps more importantly, completed with a result. In a year that presented its fair share of obstacles, that was no small feat. Golfers are renowned for many things, patience unfortunately not always being one of them, so thank you to everyone for your support and understanding throughout the season.

Of course, no reflection on this year would be complete without mentioning the Greens Project. What began as discussions and planning sessions evolved into a major undertaking that tested everyone's patience, commitment, and imagination. We have now moved from vision to reality and are starting to see the tremendous results of all the hard work and investment. While there were certainly times when some of us became experts on temporary greens, alternate playing strategies, and creative scoring explanations, the future of our golf course has never looked brighter.

Speaking of temporary greens, I like to think I spent the year honing my bump-and-run game to perfection. My regular playing partners may have a slightly different opinion, but as every golfer knows, confidence is often more important than accuracy.

One of the more memorable moments of the year was shaving my hair off for Junior Golf

alongside my partner in crime, our Golf Director, Gareth Akers. Some would call it dedication to the cause; others might say it was simply an excuse to spend less time at the barber. Regardless, it was a fantastic initiative and a reminder of the importance of investing in the future generations of golfers who will one day call Bryanston home.

Another great privilege has been getting to know a much broader section of our golfing community. One of the true joys of this role is that it allows you to engage with members from every corner of the club. Whether on the first tee, around the halfway house, on the terrace, or during prize-giving, I have had the opportunity to meet wonderful people whose passion for the club extends far beyond the game itself.

Our Men's Golfers Dinner was once again a tremendous success and remains one of the highlights of the golfing calendar. It is always enjoyable to come together away from the fairways, celebrate our community, and perhaps tell stories that become slightly more impressive with each retelling.

Throughout the year, I have also had the privilege of working alongside the exceptional management and staff of Bryanston Country Club. They are the people who ensure that this truly is our home away from home. While members often see the finished product, countless hours of hard work take place behind the scenes to make our club the special place it is.

This has undoubtedly been a challenging year because of the Greens Project. However, Bryanston Country Club is far more than just a golf course. It is the people who make this one of the finest country clubs in the country. There is no better feeling than finishing a round, finding a seat on the terrace or in the bar with a cold beverage in hand, and listening to the banter, laughter, and stories being shared as members unwind from the stresses of daily life. Those moments are what make our club truly special.

I would like to take this opportunity to express my sincere thanks to Andrew and the entire management and staff team for making my captaincy year so memorable and for their unwavering support throughout. A special thank you must also go to Gareth for generously "proofreading" all my speeches. Whether he was refining my words or simply ensuring I didn't embarrass myself too much remains open to debate. Thank you also to Gareth and his entire team for maintaining the golfing experience through a particularly demanding period.

To Andrew, Paul, and Uli in the Pro Shop, along with all the friendly staff who greet us each week, thank you for the warmth and enthusiasm you bring to the club. Every golfer knows that feeling when you check in and suddenly believe today might be the day you finally break the course record. You somehow manage to make that dream feel possible every single time.

As one chapter closes, another begins. I would like to wish Denga and Deidre every success in their upcoming captaincy year. May your drives be long and straight during your driving-in ceremony, and may your year be filled with great golf, friendship, and memorable moments.

Congratulations also to Grant Glover and Venessa Veale on their election as Vice Captains. I have no doubt that you will serve the membership with distinction and continue to contribute to the wonderful spirit of our club.

Finally, to all our members, thank you. Thank you for your support, your encouragement, your friendship, and your commitment to Bryanston Country Club throughout my tenure. It has been an honour and a privilege to serve as your Men's Golf Captain.

While my official duties may now be coming to an end, you will still find me around the club, most likely on the terrace, in my plakkies and shorts, enjoying a cold beverage or two and sharing a laugh with friends.

Thank you for a fantastic year. Here's to great golf, great friendships, and many more memorable moments at Bryanston Country Club.

Warm regards,

Paul Landman
Men's Golf Captain

EXCITING TIMES AROUND THE GOLF COURSE

As we move closer to our premier golfing event of the year, it is impossible not to notice the incredible transformation taking place around our golf course.

The extensive work currently underway is progressing beautifully, and it is exciting to see the vision coming to life. The greens are now growing in exceptionally well and continue to improve week by week, providing a glimpse of the outstanding playing surfaces that lie ahead.

Members will also have noticed the significant upgrades taking place in front of the halfway house, as well as the enhancements to the waterways surrounding the 9th and 18th holes. These developments are already adding tremendous character and beauty to the course, and we look forward to unveiling the finished product in the coming months.

A special mention must go to the 2nd hole. This project is shaping up to be something truly spectacular. It is destined to become one of the standout holes on the course and a feature that every Bryanston member can be immensely proud of. Watching it take shape has been nothing short of remarkable.

LADIES SECTION

MEGAN BUTTLE - WOMEN'S CAPTAIN

September - the beginning of Spring ... this month was a fairly quiet month in our Ladies section.

Firstly 28 Ladies headed off to KZN for an amazing Ladies Tour, organised by our Vice Captain Deirdre Spagnoletti for the ladies Captain. It was great to have fun and play different courses being Zimbali Lakes, which is a fairly new course and definitely one to play again and then Zimbali Country Club - a trusty favourite.

Thank you to Dee and her group of helpers for a great time had by all. (This is all the info as what goes on tour stays on tour).

The individual tour Trophy was won this year by Penny Taylor with some really great golf.

Our September Ladies Open was great fun, having all 18 greens temporary but still supported by 43 lady players, including visitors. We were fortunate once again to be sponsored by VW Strijdom Park (Prizes), Jawitz (Karen Robinson) (NTPs), and STBB – Stacy (Lucky draw).

Our Raffle hamper was won by Marion Heaney.

Hole in 1 (twice now in 2 months): Jeanette Dowding decided she needed another hole in one, and this she did on Saturday, 12th September, on the 9th Hole – well done!

Finally, this will be my last newsletter to you all as my term as BCC Ladies Captain comes to an end. I will be handing over the reins to Deirdre on 20th October at the AGM. I would like to thank all the lady golfers for their support to me, my committee, and the club, especially over the last months having 18 temporary greens but still showing up to support the club. May this support increase over the next year.

Birds of a Feather flock together, and the Beauty of Bryanston – my motto for my term. I have enjoyed sharing my love of birds and nature with you all this year.

SPRING HAS SPRUNG

There is something quite magical about spring in Johannesburg.

As the days grow longer and warmer, everything comes alive with colour. The clivias are in full bloom, the gardens are bursting with blossoms, and a walk around the Club seems to remind us how fortunate we are to call this special place a home away from home.

But with Spring comes the realisation that the end of the year is but 'days away' and with that is the Annual Club Draw where once again we will be giving away a trip, to the stunning 5-star Deluxe LUX Grand Gaube Resort in Mauritius. If you haven't drawn a lucky Attendance Ticket as yet, make sure you attend the next Club Draw on the 30th of October.

Welcome Home, Louise and Wimpie
A very warm welcome home to Louise and Wimpie Malan, last year's Club Draw winners.

Their prize, a G Adventures National Geographic Journey through Southern Italy, certainly lived up to expectations. Members who followed their travels on Facebook will know that their adventure included spectacular scenery, rich history, incredible food, unforgettable experiences and, it seems, a newly acquired appreciation for Limoncello.

By all accounts, Italy delivered everything one could hope for and more. We are delighted that the Malan's were able to enjoy such a memorable experience and we thank them for sharing snippets of their journey but assure you all we will be hearing more from them shortly.

Rugby World Cup 2027: An Opportunity Not To Be Missed

We are excited to share some extraordinary news.

Through our owners Tourvest Holdings Company, who also own SA Rugby Travel, one of the few officially appointed sellers of Men's Rugby World Cup 2027 packages, we have been given access to a limited allocation of packages for what promises to be one of the sporting events of the decade.

But this is far more than simply attending a rugby tournament.

The proposed packages includes flights, accommodation and official match tickets, and the pricing is entirely dependent on the group size and the package you select. If we could get a sizeable group from Bryanston Country Club Members we can tailor a package for you including Semi-finals and Finals...Just saying!

Interest is already exceptionally strong, and allocations are being snapped up quickly by corporate South Africa. If this opportunity is even vaguely on your radar, we encourage you to register your interest with us as soon as possible, an early indication of interest will help us secure the best possible allocation so that no one is disappointed.

We look forward to sharing further details with those who would like to be part of what promises to be an unforgettable Rugby World Cup experience.

If you have any questions about the Rugby World Cup opportunity, upcoming tours, cruises, self-drive journeys, or simply want to explore your next travel adventure, please do not hesitate to get in touch.

Nomonde and I are always happy to help. Just give us a call on 011 463 1170 or my mobile 0828239933.

Remember, great stories start with a booking.
